Gangtok

- A melting pot of culture and modernity, gives you a fine blend of spirituality around the Buddhist monasteries, the hustle and modern life in MG Marg. Yet shifting to a higher altitude like the Nathula pass and Baba Mandir will take you closer to nature, where you will also realise the importance of every breath of yours. This is a place that is on the top of the list of places in the Sikkim packages.

Pelling

- Depending on what a trip to the mountains means to you, this destination is for those seeking peace on the peaks. This the ideal place from where you get the most nuanced view of the Himalayan Range. 7200ft above the sea, this place is also known for various waterfall sites, mountain biking and trekking.
